

Foundational Steps to Spiritual Growth Class

Starting September 13th.

Wednesdays in the Parlor and start at 6PM.

(Start time is flexible depending on the needs of the class)

This is an 8-week course that will touch on many topics including:

- Who were the Disciples? When did they live, how did they die?
- Why do we say the Lord's Prayer and what's it about?
- Why do we take communion?
- Why do we say in Jesus name at the end of our prayers?
- Is the devil real and how much control does he really have over us, where does he live now?
- We'll also go over some common phrases you hear from the pulpit like, omnipotent, omniscient, omni present and more.
- We'll also focus on prayer and many other things.
- We will work on memorization for learning the order of the books of the Bible.

Whether you've been a Christian 2 months or 20 years there's something for everyone. Building a stronger foundation will help us to understand the deeper things of the Bible as God reveals them to us.

Any questions please reach out to Pastor Jim.
